

# St Edmund's Society

## THE COSENTURY CLUB

The Cosentury Club's purpose is to raise funds to enhance the finances of the Society to help subsidise the cost of Summer Gatherings, Annual Dinners and to assist the School with capital projects, new bursaries, etc.

As a former pupil we hope that you may have good memories of your time at St Edmund's School and would be prepared to join The Cosentury Club and help the Society further its objectives.

### How does The Cosentury Club work?

#### Shares

The number of shares in the club are unlimited. The subscription per share is £12 per annum payable in advance by Standing Order Mandate which you can cancel at any time but this will automatically cancel your membership. You can subscribe to as many shares as you wish and you will be allocated a membership number for each share you hold.

#### Prizes

The prize fund will be equivalent to 30% of the value of the paid up shares. 5% is paid out in one or more annual prizes. 25% is paid out in monthly prizes.

The draw for the monthly prizes will take place in the last week in each month and winners will be notified by post. The annual prize, based on fully paid up shares for the accounting period ending on the previous 31st December, will be drawn during the annual Summer Gathering at St Edmund's School, Canterbury, Kent.
