

Whole School Admissions Policy (including Early Years)

1. General

St Edmund's School Canterbury is a co-educational independent school for pupils from ages 2 to 18. The school has c.650 pupils, c.130 of whom are boarders. Deciding on the right school for your child is very important, and we believe that a personal visit is invaluable. We very much hope that you and your child will visit St Edmund's. We hold a number of open events throughout the year, which give a general introduction to the school. Please refer to our website (www.stedmunds.org.uk) for details. We are also very happy to welcome prospective parents and their children to the school at any other time. Please contact, the Admissions Department to arrange a visit on 01227 475601 (admissions@stedmunds.org.uk).

This policy has been prepared to meet the School's responsibilities under:

- (i) The Education (Independent School Standards) Regulations 2014 (SI2014/3283);
- (ii) The Early Years Foundation Stage;
- (iii) Education and Skills Act 2008;
- (iv) Equality Act 2010; and
- (v) Data Protection Act 2018 and UK General Data Protection Regulations (UKGDPR).

This policy has regard to the following guidance and advice:

- (i) Children Missing Education (DfE, September 2016);
- (ii) Working together to improve school attendance – (Gov.uk, May 2022).

The selection criteria, admissions process and interview procedure are determined and reviewed from time to time by the Governors of the School.

2. Aims

The aims of this policy are:

(i) To ensure compliance with the School's charitable purposes and its responsibilities under the Equality Act 2010.

(ii) To set selection criteria and procedures that are consistent with this charitable purpose and fair to all applicants.

(iii) To identify applicants whose academic and other abilities appear to match the ethos and standards of the School and whose personal qualities suggest they have the potential to contribute sufficiently to the school community and benefit from the many opportunities that are offered here.

3. Entry Procedure

Whilst covering a relatively wide spectrum of academic ability, St Edmund's is an academically selective school. Selection is based upon academic merit which is assessed through entry examinations, an interview at the school (where possible) and reports from the candidate's previous school. In the Pre-Prep and Lower Junior School, the interview is replaced by an assessment day (or part-day) in school. Our selection process is designed to identify pupils who are able to benefit from our balanced and well-rounded education and to make a positive contribution towards the life of the school.

In the Pre-Prep and Junior Schools, entry is at any age providing places are available. The usual points of entry are at 2+/Nursery, 4+/Reception, 7+/Year 3, 11+/Year 7, 13+/Year 9 and 16+/Year 12. The school may also have occasional places at other ages. Please contact the Admissions Department for details.

Applicants for admission should register before or during the year preceding the desired year of admission. Further details can be found on the school website here:

<https://www.stedmunds.org.uk/admissions/>

4. Equal Treatment

St Edmund's aim is to encourage applications from candidates with as diverse a range of backgrounds as possible. This enriches our community and is vital in preparing our pupils for today's world. Further information can be found in the School's Equality policy on the school website:

<https://www.stedmunds.org.uk/about-us/policies-inspection-reports/>

St Edmund's is committed to equal treatment for all.

We have a zero-tolerance to racism or any other type of prejudice. We recognise we have an important role to play in sending a message that racism in all its forms can never be tolerated.

To this end, we promote a culture whereby individuals are not discriminated against in any way, but specifically in regard to age, sex, pregnancy or maternity, disability, race, religion or

belief, cultural background, marriage and civil partnership, special educational need, sexual orientation and gender reassignment.

5. Special Educational Needs and Disabilities (SEND)

St Edmund's does not discriminate in any way regarding entry. The school welcomes pupils with special educational needs providing that the Additional Educational Needs Departments can offer them the support that they require. We welcome pupils with disabilities provided that our site can safely accommodate them. However, we strongly advise parents of children with special educational needs or physical or mental disabilities to discuss their child's requirements with the school before he/she sits the entrance exams so that we can make adequate provision for him/her. Parents should provide a copy of an educational psychologist's report or a medical report if they have one.

The School will make the necessary reasonable adjustments for prospective pupils during the admissions process (for example by providing extra time during scholarship examinations when applicable). Parents should notify the Admissions Office of any reasonable adjustments required for their child in advance of any admissions assessment. The school's Head of Learning Enhancement will be informed and ensure these adjustments are applied.

The school is always mindful of its responsibilities under the Equalities Act of 2010 and has a three year Accessibility Plan to increase the extent to which disabled pupils can participate in the school's curriculum and also to improve the provision of information to those pupils. The school will discuss thoroughly with parents and their medical advisers the adjustments that can reasonably be made for the child if he/she becomes a pupil at the school.

The Accessibility Plan can be found here:

<https://www.stedmunds.org.uk/about-us/policies-inspection-reports/>

6. The Assessment Process

The aim of the process is to identify potential. St Edmund's is looking for well-rounded pupils with a genuine interest in education in the broadest sense of the word, with interests that stretch beyond the confines of the academic curriculum. The school has strong traditions in music, drama, art, debating, community activities and sport. There are many extra-curricular activities, all of which are important in developing a well-balanced, confident individual.

No specific preparation for the entrance examinations is needed - all candidates start on an equal footing, with identical opportunities to display their academic aptitude and extra-curricular skills.

Assessment for Nursery consists of the child visiting for a morning or afternoon so that the school can ensure that the child is ready to enjoy the opportunities on offer. An informal assessment of their readiness to play and learn harmoniously with others is made. Assessment for Reception, Year 1 and Year 2 consists of the child visiting for a morning or day

so that their progress in Literacy and Numeracy can be assessed. The child's attitude to learning and their consideration of others is also taken into account.

Candidates for entry to Junior School are assessed in non-verbal reasoning, verbal reasoning, reading and writing. In addition, we encourage all candidates to spend a half day or full day in school to assess suitability to the school environment. We also consider using Kent Test results to determine entry into the school. Entry to all years in the Junior School is also subject to the satisfactory receipt of the child's last 2 school reports and a reference from his/her current school.

All other candidates from 13+ but below 16+ sit papers in English, Mathematics and Science - all are designed for particular age groups.

Candidates for entry at 16+ sit papers in English, Maths and a creative comprehension paper depending on their A-level choices. Our offer of places into Year 12 is conditional upon a candidate achieving a minimum of 6 GCSE passes at Grade C or above, including the GCSE grade thresholds (available in the Sixth Form Curriculum Handbook) in the subjects proposed for study at AS and A2.

Where possible, we interview all candidates as part of our assessment process for each age group (apart from Reception) and we offer a visit/assessment day.

The assessment process is conducted on an individual basis throughout the year and parents are notified in writing of the closing dates for acceptance of an offer of a place in the school.

time or stay with during the exeat weekends or if they are asked to leave the school for a short period of time e.g. due to suspension from school.

13. Fluency in English

In order to cope with the high academic and social demands of St Edmund's, pupils should be, where possible, capable English speakers. However, tuition in English as an Additional Language (EAL) can be arranged for those who need additional help with their English.

14. Religious Beliefs

Although St Edmund's has Christian roots, the school offers the opportunity for Jews, Hindus, Muslims and other creeds to practise their own faiths. However, parents should be aware that there is a compulsory Saturday morning activities programme for boarders and that all pupils are expected to attend a number of services which take place in the school's Chapel and in the Cathedral throughout the year. The school is responsive to families with reasonable requests for exceptional consideration.

15. Oversubscription

16. School's Contractual Terms & Conditions

You must also provide us, whether upon further request by the School or otherwise, any reports or other materials relevant to any of the same."

17. Complaints

The school hopes that parents and pupils do not have any complaints about its admissions process, but copies of the school's complaints procedure can be viewed on the school website or sent to parents on request.
